### Handicap for Non-League events:

Handicap for tournaments noted is:

Doubles: 501-15 points per rating point difference, CKT– 2 on 16, remainder on 15 (maximum handicap 10 rating pts)  
Trios: 701-14 points per rating point difference, CKT– 2 on 16, remainder on 15 (maximum handicap 10 rating pts)

- All entry amounts include coin drop.
- Conflict Rule – PLAYERS MAY NOT PARTICIPATE IN MORE THAN ONE EVENT AT A TIME. Any player found to be in multiple events at the same time will be DROPPED from the second event entered – regardless of league or side event. The secondary event will be forfeited from that point and no refund will be issued to the player or team that caused the conflict for Bring events or League. In the event of a conflict in draw event, the player on the team NOT involved with the conflict will be paid both entry fees unless it is a handicapped event – then an exact rating substitute may be implemented. There are no exceptions to this rule. Tournament Director may override the substitution ruling in certain circumstances.
- All first-place teams will NOT be required to participate in the Round Robins. Those teams will need to check-in by the designated times for the league finals. Teams advancing from the round robins will not need to pay additional coin drop.
- (+) In side events - ADL has the option to run single game loser brackets with an entry of 33 teams or more. The format will be clearly announced once the entry number has been determined.
- To play in any of the league events, a player must have played the FALL 2021 season of ADL and have a minimum of 48 games played. Side events are open to any player that has participated in ADL in any of the past 3 seasons. ADL does reserve the right to adjust any player rating at its discretion. Current player card required for any player not current in ADL (Phoenix / Radikal/ DARTSLIVE)
- In the event of a “no show” partner in a blind draw – there can be NO replacement for that player. If “no show” is at the beginning of the tournament, player that is present will have the option of playing by themselves (skipping the “no show” player for each turn) or being reimbursed BOTH entry fees. After 1st match – there are no refunds.
- In all events, the higher rated player goes first, just as in league. If two players are rated the same, player order can change only between matches.
- Common Courtesy and Etiquette Requirements: **NOTE: Rule 7.3 of the ADL rules will be strictly adhered to in all Tournament (League and Side Events) play.** Attempts to distract an opponent while they are on the line will not be tolerated. Common courtesy and respect are required at all times from all players. This also extends to players in matches on nearby machines. Winning and exemplary darts are to be celebrated for sure, but you must consider other matches while doing so. Drunken and obnoxious behavior that affects other players will not be tolerated. We will also enforce the time limit between darts and between players. (10 seconds per dart and 30 seconds between players). Violation of time rules will be warned and then penalized 1 dart per instance thereafter. \*\* If this rule continues to be violated, the player may be removed from the tournament.
- Currently, there are no County mandated Covid protocols in place for this event. However, as we are in an everchanging climate, please be prepared to mask and distance if the local County health department should make a last-minute requirement.
- **If you are sick, or have come in contact with any positive Covid patients within the last 2 weeks, DO NOT ATTEND.**
