

League Finals Event Schedule

Fall 2024 League
March 20 - 23, 2025

Handicap for Non-League events:

Handicap for tournaments noted is:

Singles: 501-21 points per rating point difference, CKT-1 mark per difference 2 on 16, remainder on 15 including points

Doubles: 501-15 points per rating point difference, CKT-1 mark per difference 2 on 16, remainder on 15 (maximum handicap 10 rating points)

Trios: 701-14 points per rating point difference, CKT-1 mark per difference 2 on 16, remainder on 15 (maximum handicap 10 rating points)

** All entry amounts include coin drop

** Conflict Rule - PLAYERS MAY NOT PARTICIPATE IN MORE THAN ONE EVENT AT A TIME. Any player found to be in multiple events at the same time will be DROPPED from the second event entered--regardless of league or side event.

The secondary event will be forfeited from that point and no refund will be issued to the player or team that caused the conflict for Bring events or League. In the event of a conflict in a draw event, the player on the team NOT involved with the conflict will be paid their entry fee back, unless it is a handicapped event - then an exact rating substitute may be implemented. There are no exceptions to this rule. Tournament Director may override the substitution ruling in certain circumstances.

** All first-place teams will NOT be required to participate in the Round Robins. Those teams will need to check-in by the designated times for the league finals (Double Elimination). Teams advancing from the round robins will not need to pay additional coin drop.

** (+) In side events-ADL has the option to run single game loser brackets with an entry of 33 teams or more. The format will be clearly announced once the entry number has been determined.

** To play in any of the league events, a player must have played the Fall 2024 season of ADL and have a minimum of 48 games played. Side events are open to any player that has participated in ADL in any of the past 3 seasons. ADL does reserve the right to adjust any player rating at its discretion. Current player card required for any player not current in ADL (Phoenix/ Radikal/ DARTSLIVE/Arachnid)

** In the event of a "no show" partner in a blind draw – there can be NO replacement for that player, if "no show" is at the beginning of the tournament, player that is present will have the option of playing by themselves (skipping the "no show" player for each turn) or being reimbursed THEIR entry fees. After the 1st match --- there are NO REFUNDS.

**** NEW side event rule for Blind Draws/ Draws** -- If a player signs up for a blind draw or side event that a player may not be replaced and does not show up for the blind draw or side event, the player that is a "no show" is no longer eligible for any other side events for the rest of the finals weekend. It is disrespectful for a player to "no show".

If the refund option is the option chosen by the other player effected. The operator of the player WILL BE responsible for paying the refund amount (the "no show" player will be responsible to pay this entry fee amount to their operator) this is NOT the entry fee already paid as that is in the POT already and deemed as forfeited, this entry fee amount is the "no show" players penalty along with no longer being eligible for any other side events the remainder of the finals weekend for signing up and not showing up. If fee is not collected, the "no show" player is no longer eligible for side events in any future finals.

We want to eliminate the headache of "no shows". It is irresponsible as a player to sign up and not show up. It not only ruins it for the player that drew the "no show" but becomes a headache for the bracket runners having to deal with upset player(s). So PLEASE make sure if you sign up for events, you show up for events. ** In all events, the higher rated player goes first, just as in league. If two players are rated the same, player order can change only between matches.

** Common Courtesy and Etiquette Requirements: **NOTE: Rule 7.3 of the ADL rules will be strictly adhered to in all**

Tournament (League and Side Events) play. Attempts to distract an opponent while they are on the line will not be tolerated.

Common courtesy and respect is required at all times from all players. This also extends to players in matches on nearby machines. Winning and exemplary darts are to be celebrated for sure, but you must consider other matches while doing so.

Drunken and obnoxious behavior that affects other players will not be tolerated. We will also enforce the time limit between

darts and between players. **(10 second per dart and 30 seconds between players)**. Violation of time rules will be warned and the penalized 1 dart per instance thereafter. ** If this rule continues to be violated, the player may be removed from the tournament.

**** NO DRAMA—if you are involved in any altercation, you will be removed, forfeited, and done for the weekend. It may also result in being banned from playing ADL leagues. There is a ZERO tolerance policy for any fighting.**

**** Have Fun, respect all players, and respect the game.**
